HOLIDAY CONCERT

Friday

December 11, 2015

7:30 PM

Alfred H. DiDonato Auditorium

Cresskill Middle - High School

A Note of Special Importance...

While audiences at our concerts are known for their courtesy to each other and the performers, we thought that a few items should be mentioned to insure the safety and enjoyment of all.

1. Applause is the most appropriate form of showing appreciation for the performance. We hope that the members of our audience understand that whistling or shouting is inappropriate.
2. Fire regulations and state law prohibit smoking in all of the areas of the high school building at any time.
3. We request that talking be confined to the period of time between selections and not during the musical presentations, so as not to be a distraction to others.
4. Members of the audience are asked to remain in their seats until intermission, or the conclusion of the program, except in emergency situations. If it becomes essential to leave, one should attempt to return at the conclusion of the musical number being performed.
5. If you have brought a child with you, make sure that concert etiquette is part of tonight's concert experience. Children love learning new things.
6. Of course, the old standby is always good to remember: "Do unto others as you would have them do unto you."
7. Please be sure to silence all cell phones and other communication devices.

We hope that these reminders serve to make the evening an even more enjoyable experience for both performers and audience. Thank you for your continuing cooperation and participation.
