FIELD TRIP CODE OF CONDUCT

I hereby give my son/daughter _____
permission to participate in the Cresskill High School Music Department tour/trip to Walt Disney World, Orlando, Florida from March 15, 2017 to March 20, 2017. I understand that transportation will be by charter bus. I understand that my son/daughter is subject to all of the rules and regulations imposed by the chaperones, Cresskill High School and the Cresskill Board of Education.

I understand that my son/daughter will be under the supervision of the chaperones, according to a set schedule. I also understand that, at times, this supervision may not be under the direct supervision of chaperones, where students are allowed times to travel about freely within the event location. I have read all the attached information, understand the nature of this trip, the schedule to be maintained and have discussed the attached information and the standards expected of my son/daughter with regard to behavior during this tour/trip. I understand the additional monies, beyond the amounts already collected, which are needed for this trip (personal expenses).

In the event of a medical emergency, I understand that the chaperones will first attempt to contact the parent or guardian of the student needing assistance and that if no contact can be made, the chaperones have my consent to seek whatever medical assistance is deemed necessary.

My son/daughter will not be in possession of any illegal or illicit substances or materials, including: alcohol; drugs not listed on the medical form; illegal drugs, substances and paraphernalia; contraband; weapons; or any publications or other items which could be considered inappropriate. I understand that the use of tobacco products on this trip is prohibited. I acknowledge the right of chaperones, acting as agents of the school system, to search student luggage. I further acknowledge the right of chaperones to search students, their rooms, and their property when reasonable suspicion exists. I further acknowledge the right of chaperones to administer a portable breathalyzer test, when reasonable suspicion exists. I understand that this trip is an extension of school and that all school rules apply. Any items or substances which are not allowed in Cresskill High School are not allowed to be brought on this trip.

I understand that violations of the rules and regulations and standards of behavior referred to above, and on subsequent pages could result in my son/daughter being removed from this trip/tour and/or sent home at parental expense and/or that there would be the possibility of further penalties during or following the completion of this trip through law enforcement agencies, the Music Department and/or Cresskill High School.
