AUDITION INFORMATION SHEET

1. **READINGS - There will be NO READINGS to prepare in advance, however the possibility of being given a "cold" reading (an impromptu reading) at the audition interview is possible.**

2. **SONG VIDEO - Each person auditioning needs to prepare a VIDEO RECORDING of them singing a traditional Broadway song of their choice. Please do not use a song from the Theory of Relativity for this audition. In the audition video, the person will be asked to sing at least 32 measures of that Broadway song, in the attempt to best demonstrate their full range and singing ability. That video must be uploaded into the Google Classroom Assignment posted.**

   NO pianists will be available to play for you. Please use any accompaniments recorded (piano recorded as an mp3 or a karaoke/instrumental track).

3. **VOICE RANGE CHECK VIDEOS - Two voice range checks, one for the upper voice range and another for the lower voice range vocal range check, should be recorded using the tracks provided on your Google Classroom assignment. Your Voice Range Checks should be recorded ON VIDEO. Those TWO VIDEOS video must be uploaded into the Google Classroom Assignment posted.**

4. **INTERVIEW - Students auditioning will be given a 15 minute long appointment for our interview process and to confirm with directors that their audition is complete.**
